The Assembly once again calls upon the administering Powers concerned to terminate such activities and to eliminate such military bases in compliance with its relevant resolutions.

"4. The General Assembly reiterates that the colonial and Non-Self-Governing Territories and areas adjacent thereto should not be used for nuclear testing, dumping of nuclear wastes or deployment of nuclear and other weapons of mass destruction.

"5. The General Assembly deplores the continued alienation of land in colonial and Non-Self-Governing Territories, particularly in the small island Territories of the Pacific and Caribbean regions, for military

ANNEX I

Organization of work of the Third Committee

A. GUIDELINES CONCERNING TIME LIMITS OF STATEMENTS

1. In accordance with rule 106 of the rules of procedure of the General Assembly and paragraph 22 of decision 34/401 on the rationalization of the procedures and organization of the General Assembly, at the beginning of each session, the Chairman of the Third Committee should propose to the Committee the limitation of the time to be allowed to speakers.

2. Further to General Assembly resolutions 45/175 of 18 December 1990, 46/140 of 17 December 1991 and 50/227 of 24 May 1996, on the rationalization of the work of the Third Committee, statements made by individual delegations and by members of the United Nations Secretariat, specialized agencies and others on a single item or sub-item should not exceed 7 minutes; statements made by individual delegations on more than one item or sub-item should not exceed 10 minutes; and statements made on behalf of groups of delegations should not exceed 15 minutes, unless decided otherwise by the Committee at the beginning of the session. Statements made on sub-items (b), (c), (d) and (e) under the item entitled "Human rights questions" should be limited as follows: (a) statements made on one sub-item should not exceed 7 minutes; (b) statements made on two sub-items should not exceed 10 minutes; (c) statements made by individual delegations on all four sub-items should not exceed 15 minutes; and (d) statements made on behalf of groups of delegations on the item as a whole

should not exceed 25 minutes. These time limits will be applied with a degree of flexibility towards all speakers.

B. TIMELY CIRCULATION OF DOCUMENTATION

3. It is important to emphasize the necessity of the timely distribution of documentation in all the official languages of the United Nations in accordance with the rules of procedure of the General Assembly. The unavailability of documentation in all the official languages and its late circulation to members of the Third Committee severely hampers the smooth running of the Committee's programme of work.

C. DRAFT RESOLUTIONS ON REPORTS OF TREATY BODIES AND REPORTS OF THE SECRETARY-GENERAL ON THE STATUS OF THE TREATIES

4. Reports of all treaty bodies will be submitted to the General Assembly in accordance with their respective legislative mandates. Substantive resolutions on those reports should be adopted biennially, in accordance with the programme of work of the Third Committee. Where possible, it is recommended that draft resolutions on the status of the treaties should not be submitted separately but should be incorporated in the draft resolution relating to the report of the treaty body. In alternate years, the Committee should simply take note of the reports unless more substantive action is deemed appropriate.

D. PROPOSALS EMANATING FROM SUBSIDIARY ORGANS OF THE ECONOMIC AND SOCIAL COUNCIL

5. The Economic and Social Council, in transmitting proposals to the General Assembly, should, to the extent possible, bear in mind the programme of work of the Third Committee.

E. PROGRAMME OF WORK

6. An informal meeting of the Third Committee should be held immediately after the election of the members of its Bureau in order to consider the programme of work of the Committee on the basis of a draft to be prepared by the Secretariat and to consider other organizational aspects of the Committee's work, especially the status of documentation.

7. The items allocated to the Third Committee for consideration during the fifty-second session of the General Assembly should be taken up in the following order:
